

Our Commitment to HEALTH & SAFETY

Health and Safety must never be compromised. Your safety and well-being is our #1 priority – more than production, profits and serving the customer. Everyone has the absolute right and obligation to question, stop and correct any unsafe act or condition.

SAFETY, HEALTH AND WELL-BEING
are a way of life both on and off the job!

We will achieve an accident-free environment through a health and safety culture built on: **TRUST** We respect and trust each others' opinions and decisions and follow through on all health and safety concerns. **CARE** We approach each day with the determination to care for ourselves, co-workers, contractors and the communities we serve. **KNOWLEDGE** We have the knowledge and skills to be healthy and safe. **COMMUNICATION** We communicate in a clear, open and honest manner.
