WELCOME! The power of giving just got a whole lot more powerful, here at PSEG.

Our employees and retirees have long contributed both time and money to a variety of charitable organizations. Each year, PSEG is proud to support these efforts by matching gifts to nonprofits and higher educational institutions, and by recognizing and rewarding employees' volunteer efforts.

Now, our power of giving online community makes contributing and getting involved even easier. It's 'one-stop giving' at its best! Take a few minutes to browse. You'll see how simple it is to find a volunteer opportunity; have your donations matched; tally your giving history; apply for a grant...and more. Go ahead. Check things out and allow us to help you get involved, stay involved, and most importantly, make a difference.
