

DRIVING DIRECTIONS - ALLOWAY CREEK WATERSHED SITE

Alloway Creek Watershed Wetland Restoration Site

Elsinboro & Hancocks Bridge, Salem County, NJ (*Phragmites* Control Site)

➤ [Online Driving Directions](#)

- From Salem, NJ, take Rt. 49 to Yorke Street (Rt. 658). From Yorke Street, make a right onto Ft. Elfsborg Road (Rt. 624 – also identified on maps as Ft. Elfsborg-Hancocks Bridge Road). Take Ft. Elfsborg Road approximately 1 mile and make a left onto Mason Point Road and continue to end. Make a left onto Money Island Road. The first parking area on the right provides access to a nature trail with observation platform and viewing areas overlooking the marsh and a tidal pond. Continue to the end of Money Island Road where there is a second parking area on the right with access to a nature trail and observation platform. A third parking area can be found by following Money Island Road to the intersection of Ft. Elfsborg Road. Make a left onto Ft. Elfsborg Road and follow to Ft. Elfsborg-Salem Road (Rt. 625). Make a left onto Ft. Elfsborg-Salem Road and follow to end where there is a parking area with access to a boardwalk, beachfront, and the Delaware River.
