

Cooper River Fish Ladder

Camden, Camden County, NJ

- [Online Driving Directions](#)

- From Camden, NJ, follow Rt. 676 North to exit 4. Follow the ramp toward Kaighns Avenue East. Turn left onto South 8th Street. Turn right onto Kaighns Avenue. The fish ladder is installed on the upstream tide gate structure, near the Kaighn Avenue bridge. Although this location does not have public access facilities or parking, there are two more fish ladders installed at Wallworth Pond and Evans Pond along the Cooper River, that do feature public access viewing areas and education signs.
